

# Don Quichotte

## Cable clamp KKS NG

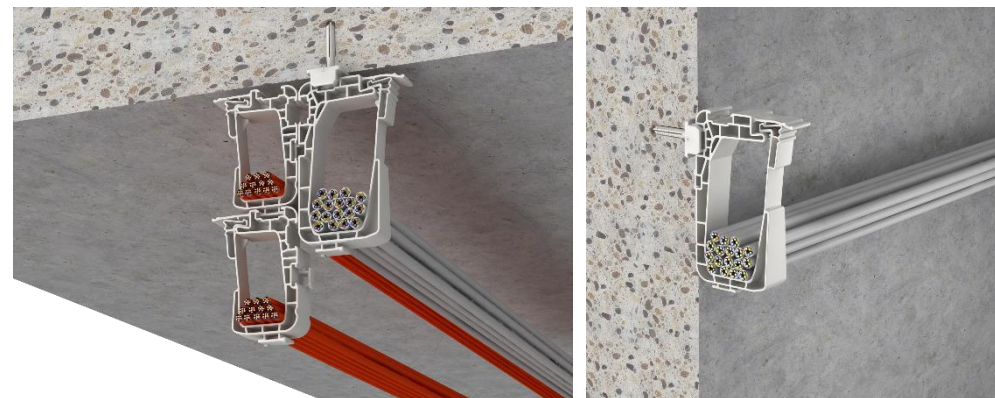

## Easy, quick & secure routing

When you want to install cables easy, quick and secure to walls or the ceiling: The new Don Quichotte KKS New Generation Cable clamp is the way to go!

The new satellite can easily be installed and the cable clamp can be attached through an easy-to-use click-in system which enables you to attach the cable clamp in the desired position.

Another benefit of this product is the possibility to attach cable clamps to each other, this saves you time!

Type	Product description	VPE (St.)	Article number
